

## Birn + Partners are expanding the Danish team

Birn + Partners are happy to welcome Torben Prang on board to our team!

Torben is an experienced Executive from the IT industry where he has spent more than 15 years in executive management; primarily in TDC consumer and TDC Business as well as the subsidiaries NetDesign and TDC Hosting. Torben's close affiliation with the IT Industry has also provided him with immense business and leadership experience from/in the Nordic countries, where he has worked close in unison with more than 150 different companies in different industries.

As an executive for 80+ employees and Manager for Managers, Torben has worked extensively and successfully, with Strategic Transformations, Strategy and Leadership, Change management, Coaching, Mentoring, Team Leadership and specifically identification of business needs in constantly changing markets. Building strategic partnership with key Industry Players in the IT Industry has been another cardinal point in increasing business.

With this extensive experience Torben has chosen that it is time for him to share his knowledge with the business life, hence he is now making his debut in the consultancy industry.
