

Birn+Partners expand in the UK

To further strengthen our European footprint and allowing us to service our clients even better in the UK, we expand our capabilities with adding 75 years of executive search experience - by partnering up with David, Neal, and Mark from Tyzack, and welcoming them to the Birn family.

David, Neal, and Mark are all consultants with senior experience from outside and within the consulting industry. This is one of the reasons that they are a perfect match to Birn+Partners – because we always focus on being able to provide consultants, who have “real-life” experience to our business partners. With this expansion in UK, our clients and the market in general can expect a Birn+Partners who offers local guidance, with a global mind-set.

Birn+Partners is an international consulting company specialized in Executive Search and Consulting with 50 consultants in 9 countries. Combined, all our consultants have +350 years of knowledge, leadership, and real experience from a multitude of industries including executive search and consulting.

Our services include:

- Headhunting of key persons from Managers to Top Executives
- Onboarding consulting to executives in new roles
- Assessment & Development of talents or teams
- Career Advisory to managers in transition for new challenges.
