

Birn + Partners are happy to bid new employees welcome

Birn + Partners are happy to announce that our Scandinavian foundation has been strengthened with the addition of Anita Runio in Finland and Ivar Thon Lossius in Norway.

Anita is supporting our Business Development through social media, marketing, and research. Her flexible and positive way of thinking and reacting is going to be a great add-on in the support of our consultants who are close to the market. She is a "doer" and her main goal is to get the job done. Anita's motto is to never stop learning and gaining new experiences.

Ivar Thon Lossius is our new Associated Partner in Oslo, Norway. Ivar contributes with an extensive experience from top executive positions in large international companies. He has worked in multiple European, Asian and American countries, and has worked in industries within chemicals, IT & Telecommunications, and Construction & Manufacturing. He has worked in the consultancy industry since 2012.

We are sure that the add-on of Anita's and Ivar's competences to our existing composition people will be of great value for our existing and future business partners. We are looking forward to create great results together with them onboard.
