

## Birn + Partners are expanding in Norway & Italy

Birn + Partners are happy to announce that we now have expanded our teams in Norway and Italy.

In Norway we are very pleased to bid Frank Ove Røvik welcome on board to our team. Frank will be located in our Oslo office from where he will support Norwegian businesses securing the right organizational competences.

Frank has been operating in the Executive Search industry since 2007, and he has a broad experience from within consumer goods and retail especially FMCG and specialist trade. Before entering the Executive Search industry, Frank has gained executive experience as Managing Director within groceries, sales and operational management, sales and chain operations, and purchasing management. Furthermore, Frank is also an active board member.

Our Italian office in Turin have expanded with two additional employees. Welcome to Anna Abbate, who is an experienced HR Manager who contributes with expertise from industries such as Automotive and Consumer goods. More than 25 years experience in big international organizations such as Fiat Automobiles and Lavazza has provided her with extensive HR capabilities within international recruiting, competence and leadership development, performance appraisal, career planning, succession planning, and change management.

Stefania Cassese is the other new colleague in Italy. Stefania is a 24 year old talent who already possess a significant amount of experience from positions in accounting firms and a commercial enterprise in the pulp and paper industry.

We are looking forward to create great results for our business partners with these three new employees in the team.
