

## Welcome to Katri Vintiša

Birn + Partners are happy to welcome Katri Vintiša as an Executive Consultant to our office in Riga. Katri brings a background in psychology and will play a big role in expanding our activities in the Baltics.

Katri has many years of experience within HRM and has significant experience within designing and implementing HRM systems. She excels at pinpointing competencies of others and assisting in the further development of those. As a management consultant, she has advised decision makers in both private and public institutions and has a thorough understanding of both sectors. Furthermore, she has extensive experience within teaching and training others within her field.

She is an open person who's happy to share practical insights, and always interested in expanding her own and others knowledge.
